S.C.C.A. ROAD RACES
PEBBLE BEACH COURSE
PRACTICE NOV. 4 RACES NOV. 5
18 MILES PER LAP

ROAD RACING IN THE EUROPEAN MANNER will come to the Peninsula a week from tomorrow when the Sports Car Club of America takes over a two-mile road circuit on the 17-Mile-Drive. The occasion will be the first West Coast event of its kind and it has generated much enthusiasm among amateur sportsmen and lovers of fine automotive machinery.

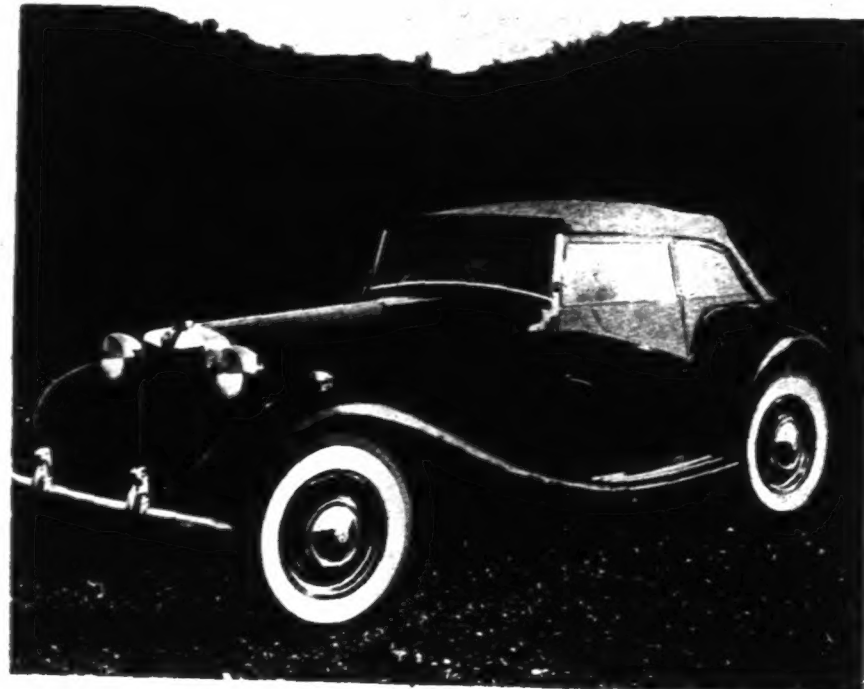

Competing in the race will be about 40 leading amateur drivers using fast American and European sports cars. There will be no so-called "hot rods," although some of the cars will undoubtedly be "souped up" beyond their normal performance.

The event will last two days, and visitors are expected to flock into Carmel and Pebble Beach. On Saturday, November 4, drivers will practice on the course and put their cars through a technical inspection by the AAA. On Sunday, at noon, the first of three 20-mile races will start over the narrow, difficult course. About 4 P.M. the feature race, a 100-mile event, will take place. In it will be entered the four top cars in each of six different classes.

Spooks Will Prowl
At Sunset School

The annual Hallowe'en parade at Sunset School will be held Tuesday afternoon, October 31,

at 2 o'clock. The students, in begged, borrowed, store-bought or hand-made costumes, will circle the school grounds to the delight (or horror) of parents, friends and teachers.

James Silliman, past District Governor of this Rotary district, shown above with Corum Jackson, president of the Carmel Rotary Club, made a non-political talk to Rotary on Wednesday. Silliman, who is running for reelection to the State Assembly, spoke on the water problems California faces, and the necessity for revision of the capital outlay system in supplying appropriations for schools, jails, hospitals, etc. He wound up his talk with a discussion of the work of the Legislature during its last special session, with particular reference to the passage of the State Loyalty Cath.

After dinner visitors to the Highlands Fling Room, at Carmel Highlands Inn Sunday night were Frank Dixon of San Francisco and Diane Warfield of Baltimore, shown here enjoying Don Barnard's organ music. Kiwanians Tour P. C. & E.

The Carmel Kiwanis Club yesterday toured the new Pacific Gas and Electric steam plant at Moss Landing. The trip was part of a series of such expeditions conducted by the company. Kiwanian members left Carmel by bus at 10 A.M., visited the plant and saw how operations were conducted, and then had luncheon at Loma Linda Restaurant.

P.C. & E. announced Wednesday that an additional thirty million dollars will be spent on the plant, thus making it the largest steam generating plant west of the Mississippi and one of the three largest in the United States.

Bud Giles Heads Veterans For Silliman Campaign

Charles F. (Bud) Giles, prominent Peninsula businessman and legionaire, has accepted the post of chairman of the Veterans Committee of the Silliman for Assembly campaign.

In accepting this position Mr. Giles made the following statement: "California leads all other states in the benefits provided to its veterans. I have contacted Mr. Lynn Peterson who is legislative representative for the American Legion, and find that Mr. Silliman has a hundred percent perfect voting record on veterans' legislation sponsored by the American Legion. In addition, Mr. Silliman stands for, and has voted for sound, economical government, and has not voted for the socialistic crackpot schemes proposed by left wing elements at Sacramento. Mr. Silliman is a sound businessman who has done a businesslike job of representing the majority of the people in this district, and we veterans and businessmen are more interested in performance than in empty promises."

Carmel Valley Petitions Go to Washington

Petitions containing the names of over 400 Carmel Valley residents and about a dozen individual letters have been forwarded to the postal authorities in Washington, D.C., urging that the Post Office address of Valley residents be changed from Robles Del Rio to just plain Carmel Valley.

Last year an attempt to change the post office designation was made, but investigation showed that the effort was apparently blocked before reaching the final authorities. This latest movement, which was initiated by the Carmel

THEY HATE BECAUSE THEY FEAR

Valley Business and Professional Association, has been directed through the local post office to the Postmaster General's office--and not by way of any intermediary offices.

Attempts are also being made to have the recently installed telephone exchange serving the upper Carmel Valley called the Carmel Valley Exchange instead of its present designation of Los Laureles.

The post office name of Robles Del Rio comes from only one of the many subdivisions in the Valley and the telephone exchange from another. The first victory in eliminating name confusion is the announcement that after the next election the voting districts in the Valley will carry the names Carmel Valley 1, 2 and 3.

Congresswoman Douglas Gives Farm Views

In a series of Northern California campaign speeches Congresswoman Helen Gahagan Douglas, Democratic candidate for United States Senator, made clear her position on farm policy and described her Republican opponent's voting record in Congress as "contrary to the interests of the farmers and the people of this state generally."

In reference to farm policy, Congresswoman Douglas called for:

1. Elimination of the classification of crops, for payment and control purposes, into basic and non-basic groups. "I see neither reason nor justice in continuing to discriminate against this important section of agriculture (California and Western producers of non-storable commodities) in the apportionment of government assistance," she said.

2. Continuation and strengthening of the Administration's program of agricultural conserva-

tion.

3. Continuation and strengthening of the Democratic Administration's long range program for completion of the Central Valley project.

4. Extension of price support programs to include rice and beans without acreage limitations. Barley, oats and cotton already are on the program, Mrs. Douglas noted.

Lashing at her Republican opponent, Congresswoman Douglas asserted that "his record is bad," both on farm issues and such other domestic measures such as rent-control, low-cost housing, social security, Central Valley development and consumer legislation.

Kiwanis Hallowe'en

The Carmel Kiwanis Club is hoping that the whole town will turn out next Tuesday night for its annual Hallowe'en party.

Kids of all ages (from two to 102, the Kiwanians say) will be in for a big time when the activities at the Sunset School athletic field begin at 7 P.M. In addition to various competitions, entertainment will be provided in the form of music by the Carmel High School band and the Youth Center choir and glee club, variety acts, clowns, acrobats, Carmel's own organ grinder, and folk dancing. Carved pumpkin entries will add to the Hallowe'en flavor, with prizes for the best. There will be free prizes for everyone attending.

Youngsters will be in command from 7 to 8:30, and after that the older Carmelites will take over with a dancing session in the gymnasium. Baby sitters will be provided for the children of parents who want to join the fun.

Prizes (from the Douglas Kay Toy Shop) for the best costumes are now on display at the House That Jack Built.

Death Claims

Mrs. Mary Ellen Edwards

Mrs. Mary Ellen Edwards of Carmel passed away this week at 80 years of age. She had made her home for the past 12 years with her daughter, Miss Edna Edwards, well known clerk at the Carmel post office, at Third and Lobos Streets.

Mrs. Edwards was a member of a pioneer family of Maricopa, Arizona. Her father was the famous Andrew Jackson Patter, known as "the fighting parson of Texas," a Methodist minister who was the first consecrated adventurer to carry the word of God into that thinly settled wilderness.

Besides her daughter, Mrs. Edwards leaves two sons, H. P. Edwards of Niles, Michigan, and Horace Edwards of San Bernadino.

Liquid Gold

It means a better living for you
...for all California

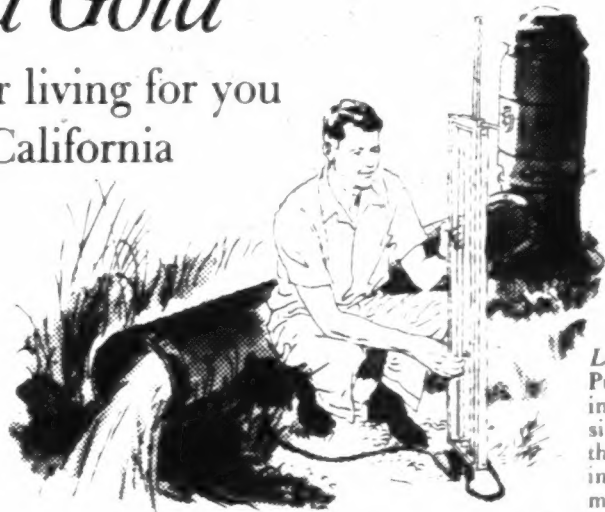

Here's Herman Dickman, head of the Agricultural Department of Lodi Union High School. His job is to turn out tomorrow's successful ranchers and growers. A substantial portion of the funds that support San Joaquin County Schools comes from P.G. and E. taxes. And, P.G. and E., by the way, is California's largest property taxpayer.

Paul Bertoli of Santa Rosa, like thousands of other California truck gardeners, cannot afford to wait for the rains; depends, instead, upon ample low-cost electric power to operate 3 deep-well pumps to flood his acres. So electric power shall continue ample on farm and in city alike, plentiful reserves have already been provided by P.G. and E.'s \$800,000,000 postwar expansion program, with still more facilities being built.

44X-W-1050

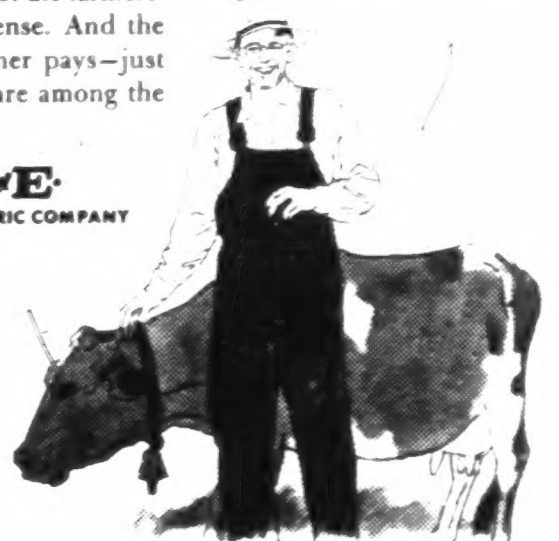

Irrigation water is California's liquid gold. Pumped onto farm land in P.G. and E. territory it increases average annual per-acre crop values twenty times!

This water, electrically pumped, helps grow 231 different crops; it has done much to make agriculture the basic industry of the state, with a gross annual farm income of 2 billion dollars. This huge sum flows into the channels of trade, creating jobs and prosperity in the cities as well as on the farms.

Yet, P.G. and E. electric power for irrigation pumping on the farm is so low in cost that, on the average, it constitutes only 3.5% of the farmers' crop production expense. And the rates the average farmer pays—just as the rates you pay—are among the lowest in the nation.

P.G. & E.
PACIFIC GAS AND ELECTRIC COMPANY

Le Roy W. Snyder is a Pump Test Engineer in our Stockton Division. His job is to see that customers' pumping plants deliver the maximum amount of water at the minimum cost. P.G. and E. maintains 9 pump testing crews, saves many thousands of dollars for its customers, makes no charge for the 7000 tests it runs annually.

Meet Kenneth Peake, dairyman, whose Claravale Guernsey Farm near Los Gatos is famous for its rich dairy products. Low-cost electric power has been a big factor in helping Mr. Peake toward success, as it has thousands of other dairymen, farmers and ranchers. Peake uses almost a dozen electric helpers; even his fence is electric. Yet his average monthly electric bill is only \$24. "I don't see how anyone could beat the rates," he says.

Dutch Student will Speak At Church Council Meeting

Miss Else-Marie Ouendag, native of Amsterdam, the Netherlands, an exchange student at the Monterey Peninsula College, will be guest speaker at the United

Council of Church Women's World Community Day meeting, November 3. Miss Ruth Sally, well-known soprano, will be guest soloist. The meeting will be held in the Presbyterian Church, 404 Franklin Street, Monterey. Box lunches will be brought by those attending, with luncheon scheduled

for noon, followed by a business meeting. The program will begin at 2 o'clock. Gifts, including knitted articles, will be collected for overseas relief.

Woman's Club Ready For Rummage Sale

At the Monday afternoon meeting of the Carmel Woman's Club, Mrs. Annie Vaughan, president, announced that collections for the fall rummage sale, October 30, have exceeded all expectations.

Mrs. Vaughan said that the storehouse, a new annex to the clubhouse built this summer, is overflowing with articles that will be offered for sale. The rooms back of the stage are also filled.

A large crowd is expected to be on hand Monday morning when the sale begins at 9:30. Articles of all descriptions will be sold— heirlooms, men's, women's and children's clothing, antiques, useful things, expensive items and those that are just the opposite. The sale will continue till 5 P.M. Workers will wear headbands. The proceeds will be used for payments on the clubhouse.

In introducing garden chairman

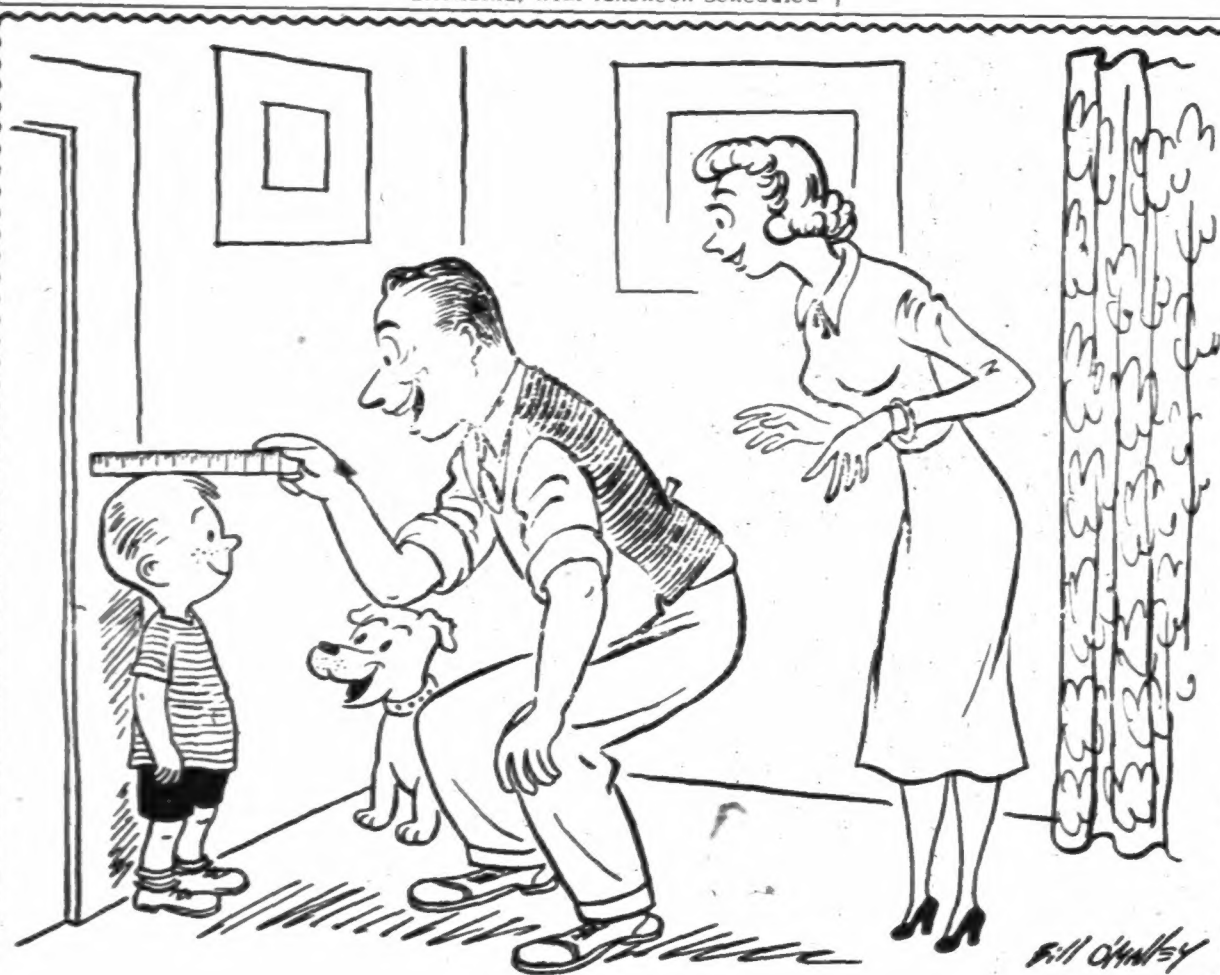

Mrs. Elmer Bingham at Monday's meeting, Mrs. Vaughan spoke of the need for more bulbs, plants and jewelry for the rummage sale. Mrs. Bingham told of her contacts with wholesale florists and explained the best methods of buying bulbs.

Another speaker was Mrs. Noel T. Arnold who discussed tulip care. She brought many corsages and table decorations from her Pebble Beach garden.

Mrs. L. C. Miller, hostess for the day, was assisted by Mrs. Robert Peck, Mrs. Conrad Immelman and Mrs. Paul McKinstry. Refreshments were served by Mrs. Daniel Gray and Miss Edith Catlin.

At the next meeting, November 2, Howard Pierce Davis will give a lecture, "The Flight of Freedom."

My, how we have grown!

Just like Junior, The Peninsula has grown like a weed these past five years—and so have we. It is easy, of course, to see the expansion around us but to be statistically sharp about the matter let us have a look at a fairly accurate yardstick—water service figures.

ACTIVE SERVICES ON THE PENINSULA

1945	9,832
1950	14,635
Increase	48.8%

PLANT INVESTMENT ON THE PENINSULA

1945	\$3,150,000
1950	\$6,750,000
Increase	114%

The spending of more than three and a half million dollars since 1945 for plant expansion on the The Peninsula has been necessary to assure our growing population of an abundant supply of good water (the Los Padres Dam and Filter Plant), and an adequate distribution system (enlarged transmission mains, more storage tanks and miles of pipe lines) . . . and in 1951 more money must be invested to keep our plant abreast of future demands.

Money for new construction does not come from water bills but from investors who expect a fair return for the use of their funds. This means that rates for service must be sufficient to offset the higher operating costs of today to provide earnings that will produce that fair return.

MURPHY LOWERS THE MOON

Demolition work on the recently burned-out La Maisonette Restaurant at Lincoln and Sixth, Carmel, was begun Tuesday by the V. J. Murphy Company.

For a while the gasoline crane shovel (upper left) was delayed from moving in for the kill by an unstrategically parked automobile--but the owner was quickly located and the obstruction to the destruction was removed. The other two photographs show Byron Pryor engaged in a knock-down-and-drag-out battle with the charred timbers of the building.

Construction will begin shortly on a new building that will house three shops and a doctor's office, according to Steve Patterson, owner of the restaurant building. Plans are now being drawn up by Carmel architects Elston and Cranston.

SHOP THE PENINSULA with Betsy Abbott

A SERVICE FOR DISCRIMINATING BUYERS

Please say you saw it in the SPECTATOR...That will help me have a better column. --Betsy Abbott.

HOW DOES ONE PULL A LITTLE DRESS OUT OF THE HAT? You mix and match and you have a little dress--through coordinating jersey skirts and blouses from HARRIET DUNCAN'S APPAREL SHOP! The skirt (\$14.95) has the look of a full skirt--and it hangs straight! The blouses, for variety's sake, are in two styles. The first has a little Bobby collar with two pockets and three-quarter length sleeves. It is \$11.95. The second, for \$9.95, has a soft, flat collar. It's perfect worn with suits, but worn with the skirt, it's a dress. These jerseys come in sizes 10 to 18, which is good news for the slightly hefty gal. The colors are tangerine, hunter's green, black, toast, sungold, gray and beige.

The skirt has a self-belt, but if you like a little dingle-dangle to add a touch of sparkle, those famous handmade Calderon contour belts (imported from Switzerland) can be purchased at this same shop. The crests and coins on them are handwrought. What fun you'll have! You'll be so happy with your mix-match or coordinated outfit from HARRIET DUNCAN'S (Lincoln and 6th) that you'll want to do the can-can!

Mrs. Frank Bathe is opening a giftshop--LAS LEMBRANCAS SHOP--in the Golden Bough Court directly behind Candles of Carmel. The landscaping has not been completed, and though the shop doesn't look quite finished, the stock is complete. Mrs. Bathe is emphasizing Portuguese ware, and she has some lovely pieces. Among them are a few (practically museum pieces) by V. Lamego, with lovely cream backgrounds. There are numbered F. Battistini odd pieces of chinaware (yellow background with lacy edges) for you collectors. Soares dos Reis (blue and white) is a little more plentiful, and by this designer there are plates, boxes, miniature and larger flower pots, and a copy of an antique ink well that would make a very unusual and attractive flower container. In addition to these rarer pieces, Mrs. Bathe has kidney-shaped bowls and all sorts of Portuguese ware designed for the serving of hors d'oeuvres.

Mrs. Bathe is very enthusiastic about her little shop, and she loves every article in the place, one of which is a little porcelain cat which she calls "Carmelitta of Carmel." She has a droll sense of humor and does have fun with her merchandise. There are cute little wood mice from Sweden that sit on the edge of an hors d'oeuvre plate. They have long spiked tails, and you just pick up the mouse and spear a piece of cheese to pass or to help yourself. There are amusing wood flower supports with decorative storks and their young ones sitting on the top. There are pewter ash trays, Swedish brass, hand-made copper, free form ceramic ash trays from Laguna Beach, and cobblers' benches for holding magazines and smoke accessories.

LAS LEMBRANCAS SHOP is one of a group opening in the new building behind Twigs and Candles of Carmel. Incidentally, "las lembrancas" means "very special gifts."

IT'S THE SHORTIE at the COLLEGIATE DRESS SHOP at 489 Alvarado in Monterey that would be so nice to wear now--and then later on in the spring. There are some good-looking finger-tip novelty tweeds in 100% wool in red and green...for only \$39.95. They can be worn either belted or loose, for the belt is detachable.

There is a wonderful style in soft, deep fleece--for only \$28.00--in grey, green or apricot. The shop also has in this fleece a navy blue shortie, with a three-way belt, which permits it to be worn in a variety of ways.

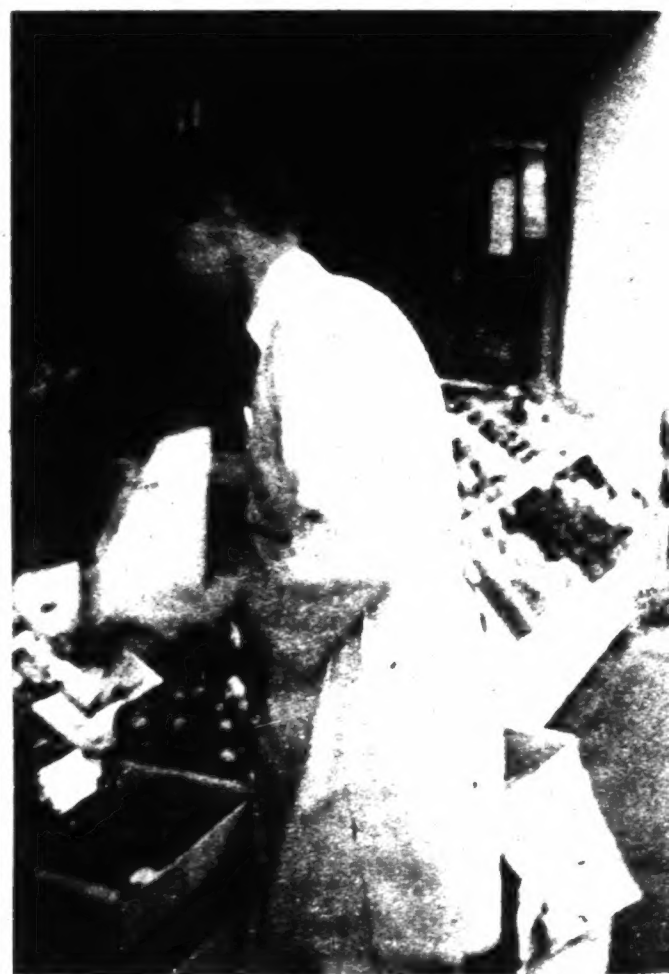

Chinchilla cloth--that nice, nubby material--is the fabric used in a group of red shorties that sell for only \$35.00. This same cloth (that reminds one of toy lambs) is made up into a bolero-length shortie in white that would be perfect for evening as well as daytime wear.

It would be good to have on hand one of the shop's wonderful black three-quarter length toppers, belted with dressy buttons. These can be worn over dressy clothes for tea or for city wear and can be worn very simply over a slim skirt and sweater for street wear or country wear. So, whatever your need, whatever your way of life, the COLLEGIATE DRESS SHOP offers you a wide choice of shorties, ready for any occasion.

IF YOU ARE LOOKING FOR A GIFT and you want to be sure that what you give will not be duplicated, go to THE CARVEL ART SHOP at Lincoln Street and Ocean Avenue and select something from the great assortment of Jeweler's Bronze which is exclusive locally with this store. Jeweler's Bronze looks like a million dollars and at the same time is inexpensive. It is enameled baked. No polishing is required, and it doesn't tarnish, peel, scratch or chip. Furthermore, it goes beautifully with sterling, brass, bronze, copper or pewter.

Jeweler's Bronze is a new product being made in California. It has been on the market for only two months and has been so popular with the few shops that carry it that the factory can't keep up with the demand.

The variety of articles made of Jeweler's Bronze seems inexhaustible. There are wonderful napkin rings that can be engraved and also used as bracelets. There is a very sturdy and handsome child's porridge bowl and mug which don't dent easily and can stand a lot of hard use. There is a martini set that is everything one could ask for. The pitcher is glass with Jeweler's Bronze trim and has a heavy Jeweler's Bronze base. The glasses are edged with this bronze, which make them that much more durable. There are trays, large flower bowls, hors d'oeuvre trays, pepper mills and salt shakers, mayonnaise bowls, cigarette containers and ash trays, candle-holders, and a complete line of stemware in solid Jeweler's Bronze that includes after dinner brandy, liqueur, cocktail, highball, beer, wine and goblets. How practical to give stemware in this new unbreakable Jeweler's Bronze which is so good looking. Jeweler's Bronze, exclusive at THE CARVEL ART SHOP, would more than please and satisfy the lucky person who has practically everything but would still appreciate something new and in good taste.

(Not Necessarily

TOP ROW:

Glen Daly and Dave Hageneyer, of the Carmel engineering and surveying firm Neill & Hestor, check a couple of angles pertaining to the local street layout.

Robert Craig Stephenson--"Twig" for short--goes looking for a birthday cake, accompanied by his mother. The cake is for his uncle, Craig Shattuck, a San Jose student who will be joining the armed forces shortly. Twig's father, Robert Stephenson, is a draftsman with the Hugh Comstock organization.

Mary Lou Miller of the Carmel Dress Shop stops long enough on her way to work to pose for your roving photographer--a personality not necessarily in the picture, but almost. His shadow is being trampled by Mrs. Miller's feet.

"Which one has the hollow head?" is the photo-caption supplied for this one by Paul McKinstry of the Carmel Grocery. Mr. McKinstry is the gentleman with the hat.

BOTTOM ROW:

Jerry Otrich waits patiently but forlornly for his friend, master and step-father, Sumral Otrich, who's out of sight but not out of mind.

The hand of Mike Balazs is quicker than the camera's eye in this shot depicting the early morning activities of a grocerman. Mike is getting the tomatoes, potatoes and other edible items ready for the public at the Quality Market.

George Yates, the investment securities man, pauses to rest against a two-hour parking limit sign on Sixth Street.

John Grandfield stops for a look at Tuesday's headlines as he heads for his Piccadilly Flower Shop.

ANSWER TO THIS WEEK'S

WHO IS IT?

The lady who occupies the *Who Is It?* spot this week is Lucy Mawdsley, the wife of Carmel's city clerk, Peter Mawdsley.

She was born and educated in Bristol, England, but she was living in the small Welsh border town of Hay when she met Mr. Mawdsley, a Lancashire lad, who was studying law under an eminent

local lawyer. The Mawdsleys were married in Bristol in 1915 at St. Paul's, the church where Mrs. Mawdsley had been christened and confirmed. (During the second World War, St. Paul's was bombed out and nothing was left but a mass of ruins.)

After their marriage, Mr. Mawdsley continued his studies and was at the same time engaged in local government work—but illness during the first World War made a change of scene desirable. So, in 1921, they came to the United States.

It was Jack London's book, "Valley of the Moon," which at-

tracted their attention. The description of the valley north of San Francisco made it seem an ideal place to live, and so they headed in the general direction of it. But for a few weeks they got sidetracked and stayed in Los Angeles, and immediately after that, Mr. Mawdsley took a position at Lebec, on the Highway 99 Ridge Route, and for over a year the Mawdsleys didn't get any farther north.

Then they struck out again, and as they were nearing Monterey they saw a sign which said "Carmel." "Is that the Carmel we read about in 'Valley of the Moon'?"

Mrs. Mawdsley wondered—for Carmel, too, had been described in London's book. They decided it must be; and they also decided to have a look at the village. They drove down the sandy street that is now Ocean Avenue, arriving just about lunch time—and here they've been ever since, with the exception of a seven-month period when they went south again.

Mr. Mawdsley went to work in the real estate business for Calvin and Maude Hogle, doubling as accountant and salesman. Then he was with the Carmel Land Company, and finally with Mr. Hogle again—this time as a partner.

When the Mawdsleys went south once more, they found that Carmel had too much of a hold on them and back they came. Mr. Mawdsley helped local merchants to keep their account books straight and he also untangled income tax problems for them.

In 1943, when the city clerk died, he was asked to take the position for the remainder of the term. Mrs. Mawdsley helped out in the office—and today, with her husband still holding the title of city clerk, her experience is coming in handy. She's holding down his job while he recuperates from an eye operation performed this past summer.

The Mawdsleys have two children, a son, Peter, who was born two years after they arrived in Carmel and who is now living in Pasadena, and a daughter, Audrey, who recently graduated from the University of California.

Mrs. Mawdsley has been back to England twice since she first arrived in this country. On her first trip, she was accompanied only by her son, who was four and a half years old at the time. On the next one, the whole family went. But as far as she is concerned, Carmel is the place for her. She has all the affection and respect in the world for England and the English, but for a place to live—well, she never wants to leave Carmel.

Pebble Beach Gun Club Active

Francis J. Eisenlauer, acting manager of the Pebble Beach Gun Club, was High Gun in the last Registered Shoot at the Pebble Beach Club. More than 100 shooters traveled to the scenic layout for the day. Eisenlauer tied with H. Muhs of Stockton and George Johnson of Salinas with 50 straight in Class A, and in the shoot-off Eisenlauer won with 25 straight.

George Sawyer of Pebble Beach was high gun in Class B with 50 straight, and in Class C, R. Caches of Fort Ord scored 49. In Class D, W. Panziera of Salinas took top honors with 49 and in Class E B. Tomrose of San Francisco was high with 43.

The Pebble Beach Gun Club will be open during the fall months on Saturday and Sunday from noon until five.

Joe's Taxi Sold

On November 1 Mrs. Jean Geisen and George Norton take over as owners of Joe's Taxi, Carmel. Former owner Nellie Oliveiro will continue to manage the business. Mrs. Geisen is the wife of Jack Geisen, Carmel realtor, and Mr. Norton, a former Naval officer, has for some time been associated with Joe's Taxi.

Four new Dodge automobiles have been delivered for service with the company and a new bus, built especially for the Carmel Valley franchise run, is expected to be delivered this week. Negotiations are being carried on with the Bay Rapid Transit to have the Monterey buses use the terminal facilities at Joe's Taxi.

C. V. Road Construction To Start About January 1

Bids from contractors are now being prepared for submission to the state and county for the realignment of the portion of the Carmel Valley Road from the Farm Center to Highway 1. Construction will start after January 1. It is expected that the work will not take as long as did the section from the Farm Center to the Carmel Valley Inn, which was commenced last spring but not completed until a few weeks ago.

Post Office Probably Will Stay Put

At this writing, five propositions have been submitted to post office officials in San Francisco concerning the future location of the Carmel post office. The deadline for proposals is next Tuesday.

Among the plans offered is one by the owner of the present post office building--to increase the space by a 40-foot wide addition which would run up back of the Village Corner. This would afford the space needed for increased facilities and would also make possible an additional entrance to the post office from Sixth Street. Our guess is that this is the proposition which will be accepted.

had a dream--at the wrong time. He should have been awake at the time he was making up an advertisement for Kip's Food Center. If he had not been in a trance he would not have written "Wilson's Market" instead of Kip's. He later had a time dreaming up an apology to Lewis Poulos who runs Kip's. This is it! Gentle reader, it's still Kip's... not Wilson's.

"Streets of New York" Next First Theatre Production

California's First Theatre, State Monument, Monterey, where hilarity and laughter are the keynote since the Penny-Watrous Management reopened the historic building in 1937 for the presentation of old American plays, is in the transition stage of closing one production and opening another. "The Red Kiss Girls," directed by Rhea Diveley, has just three more performances: tomorrow night, October 28; Saturday night, November 4, and the closing night, November 11.

"The Streets of New York,"

also directed by Rhea Diveley, will open on Friday evening, November 17. The outstanding cast includes Wayne Edwards as Captain Fairweather; Bud Houghton as Bloodgood; John Mitchell as Mark Livingstone; Alex Olivetti as Badger; James Rutledge as Paul; John Burgess as Mr. Puffy; Richard du Bru as Dan; Master Sergeant Ray Necel as Daniels; Frank

Local Service Clubs Will Again Sponsor Civic Drama Festival

William Giles, general chairman of the Monterey Peninsula Civic Drama Festival, today announced that the Monterey Peninsula 20-30 and Optimist Clubs have voted to sponsor the Civic Drama Festival for the coming season.

Members were delighted with the three plays presented last year—"Fair and Warner," "Peg o' My Heart" and "The Heiress"—and the audience reaction was also favorable.

The three plays to make up the Festival this season are "Dorn Yesterday," "Harvey" and "I Like it Here," all of which have had long runs on Broadway and the principal cities of the United States.

Giles said, "The Drama Festival fills a definite need in the cultural life of the Peninsula in that it supplies an opportunity for all to enjoy theatrical attractions that have been outstanding successes in New York, with professional casts of Actors Equity Players. Community concerts have paved the way toward an appreciation of the better things of life; the amateur community theatre group has taken another step forward in this direction. Let us not turn our backs on this addition to the cultural life of our community. We should be grateful that the Monterey Peninsula can now enjoy Broadway productions on a par with the larger cities of the nation. Let us not only thank the Optimist and 20-30 Clubs for making this possible, but concretely show our approval by supporting them in this fine project."

At the end of last year's series practically all old members applied for their tickets for this season. Those season ticket holders who have not re-subscribed will be individually contacted. New subscribers will have an opportunity to secure reserved seat tickets, good for all three plays of the festival, by contacting members of the Optimist and 20-30 Clubs. Ticket sales will begin on October 30. Tickets will also be available in Carmel at the Browse-Around Music Shop, Dolores and Sixth; in Pacific Grove at Bud Giles Men's Wear, and in Monterey at Wurzmans Typewriter Exchange and Abinante Music Store.

Fiala as Edwards; Faith Ellis as Lucy; Jean Rutledge as Alida; Star Ellis as Mrs. Fairweather; Jean Stone as Mrs. Puffy; Patricia Semple as Emily.

Dene Denny and Hazel Watrous are producers; Rhoda Johnson is stage technician; Kay Knudsen is in charge of lighting.

AZUMA TEI: Long popular exotic eating spot where Japanese food is intimately and authentically served.

WHITNEY'S: Fine cocktails and fine food in the dining room served by the friendly Wibby. In the heart of the Carmel shops. A good place to drop in for lunch or dinner.

PINE INN GARDEN RESTAURANT: One of Carmel's oldest hotels. Food is served in a variety of ways: Wednesday and Thursday night buffets that are enticing people from S.F. to drive down especially for them. Luncheon served in the patio garden or dining room. Excellent drinks in the lounge.

THE COUNTRY COFFEE SHOP: Six miles of Carmel Valley beauty and sunshine to home cooked Ham, Pork and Beef Roasts...Country-burgers...Chocolate Cake...Strawberry Puffs and Strawberry Shortcake... at the Farm Center.

BLUE BIRD RESTAURANT: Home-cooked food with a Continental accent. All pastry made on the premises.

A favorite eating spot for the Carmelites, for this is the oldest restaurant in Carmel. Right on Ocean Ave.

CARMEL RESTAURANT: Pleasantly located on Ocean across from the park. Tasty food served either at counter or in booths. The food is reasonably priced and the restaurant conveniently open every day including Sundays, from 7 a.m. to 8:30 p.m.

Cheyenne Mountain Dancers'

Folk Dancing Program

At Sunset School Monday

Dr. Lloyd Shaw and his **Cheyenne Mountain Dancers** from Colorado Springs, Colorado, are scheduled to appear at **Sunset Auditorium** Monday night, October 30, at 8 o'clock.

Dr. Shaw is credited with popularizing cowboy square dances throughout the nation. He and his group of enthusiastic dancers take two tours a year, giving performances in all of the larger cities. Their light-hearted program gives the history of the square dance in a series of numbers that constantly advance in pace. Early American, Mexican and Western dances are included.

Dr. Shaw is the author of two books, "Cowboy Dances" and "The Round Dance Book." Tickets for the program are on sale at **Lial's Music Shop** and the **Carmel Adult School** office at **Sunset School**.
